Delhi - 110007

Job Description: At the epicenter of this profile is writing and interacting in the educational context for a wide variety of job functions.

Skills: The requirement for this position is very simple- love for language. A natural knack for English with love for writing and interacting together with the right attitude to work in a young, vibrant setup is what we seek. We'll impart training on the rest!

Location: Noida (In case of an excellent fit but geography playing a constraint, an option of **Work from Home** is also possible.)

Eligibility: Candidates with degree/work-ex in ALL disciplines are welcome to apply.

Remuneration: INR 4,80,000 - INR 12,00,000

Employment Type: Full Time

Industry: EdTech

Company Profile: Experts' Global is an EdTech firm- the premise is to deploy technology for imparting education. One field in which the organization is a competitive global player is GMAT preparation and MBA admission consulting. Since 2008, the firm has been guiding the students worldwide and has helped thousands in securing admission into the world's top-notch institutions. The firm has developed in-house the world's most 'complete' and exhaustive softwares in its niche and the same have played a pivotal role in enabling the students in beating the GMAT and securing admits in the world's most prestigious institutions.

The organization has trained students from more 50 countries spanning across all continents and helped students in securing admits into each of the world's top 150 business schools. An interesting observation is that every 10th Indian studying in the US top 50 business schools happens to be an alumnus of Experts' Global! Each year since 2010, the students trained by the firm have bagged scholarships in excess of \$2Mn!

Founded by a Boston University MBA (with 100% scholarship), the firm boasts a robust team of talented and inspired professionals carrying rich, global experience as well as coveted degrees from eminent Indian and international institutions. The firm takes

pride in the work it does and in the effective/efficient/ethical way it does so. The company's work touches people's lives and the organization considers this impact, a badge of honor!
