INVITATION – 2021-22

The Central Placement Cell (CPC), University of Delhi is an interface between students & corporates. Along with facilitating students with placement and internship opportunities, the CPC also maintains a database of students registered for placements and internship. For the academic session 2021-22 the Central Placement Cell is inviting students for online registration on its portal from 1st October, 2021. The address of CPC website is <http://placement.du.ac.in>

Once a student registers (online) with CPC, he/she can participate in placement/ Internship drives which are conducted regularly. The students studying in 1st and 2nd year can register free of cost for **Internship**. However, students in their final year of any Programme can register for placement by paying a nominal fee of Rs.100/- (Rupees One Hundred Only) through payment gateway.

The students of SOL & NCWEB can also register, however, in their case only databases will be transferred to the companies as per companies' requirement and they cannot participate in placement.

A candidate is allowed to appear in placement drives till he/she receives **three** appointment calls from different companies.

I, on behalf of the University of Delhi, welcome you to this illustrious forum, where you can avail opportunities for enhancing your skills as well as showcasing talents in such a constructive manner that the University of Delhi will feel proud of you.

Wishing you very good luck in all your career initiatives and future endeavour.
