**INVITATION**

The Central Placement Cell University of Delhi has entered the seventh year of its inception. All the six batches registered with CPC have duly benefited from Industry- Students interaction. Corporate houses from different sectors participated in our endeavor and recruited large number of students from the university and its colleges during these six years. We express our gratitude towards these companies for reposing faith in our students and selecting them. We further wish to nurture this relationship by extending the data base to include Ph.D/Post Graduate/Under Graduate students along with the School of Open Learning/Non-Collegiate Women Education Board. This pool extends to all Delhi University Colleges and Post Graduate Departments. CPC certainly ensures a wider choice in terms of number and quality of students available at a single platform.

The vision of CPC is to provide a continuum of opportunities to the undergraduate, post graduate students and research scholars studying various courses of Science (Physical, Life and Applied sciences), Commerce, Social Sciences and Management to name a few. A detailed list of courses offered by the University of Delhi is available on the university website. The Central Placement Cell seeks the support of all corporate houses and NGO's in our endeavor to provide suitable placements to our students and help them in their competencies enhancements.

University of Delhi also appreciates corporate in their endeavor to encourage recruitment of Differently Abled Students and students with weaker economic background. We also invite your company to participate in Internship Programme for 1<sup>st</sup> & 2<sup>nd</sup> year students.
