

SUMMER INTERNSHIP WITH STATE BANK OF INDIA

The State Bank of India Bank offers summer internship to deserving students of **B Schools, law schools, engineering colleges and colleges offering degree programmes**. The internship is offered on different projects pertaining to the areas related to banking. The project work offered would be for a maximum of ten weeks and at the completion of the same, the student would have to submit their project report, which will be sole property of the Bank. Students would also be given stipend, subject to successful completion of project. A certificate of completion of project will also be issued to the student.

Students of Delhi University and its colleges, who are willing to undergo internship with State Bank of India may contact Chief Manager (Learning & Development) for any queries in the matter and send their particulars to Email ID cml.d.lhodel@sbi.co.in.
