Message from the Vice Chancellor

India is one of the world's fastest growing economies. In today's world, International boundaries have fast receded and an integrated global economy has emerged. In this present globalized world Business Organizations are facing the challenges to meet the international competition. These challenges can be addressed primarily by the quality of Human Resource and leadership at their disposal. We provide opportunities not only in placement but also in internship and capacity enhancement programmes. The capacity enhancement programme is important for holistic development of a candidate in this present globalized world.

The University of Delhi was established in 1922 as a centre for imparting quality education. It has become the premier Central University attracting learners from all parts of the country and from outside. It is known for its academic excellence, quality research and rigorous academic schedule. Our aim has been to groom students from diverse educational and socio-cultural background to take up responsible positions in the world outside the university. With this in mind we have created a Central Placement Cell to facilitate Campus and Off-Campus recruitment of our young and energetic students. I am certain, the value-addition done here will mutually benefit our young minds and the organizations employing them. I hope this placement cell will fulfill the task of acting as a creative interface between the University and the Industry.

Professor, Dinesh Singh

Vice-Chancellor

Nurturing the Talent

From the Desk of Dean Students' Welfare

The Indian economy continues to record appreciable growth in all the sectors, resulting in tremendous demand for skilled personnel. In addition to the traditional avenues of employment in public and private sectors, media and NGO's there is now an increasing demand from the growing corporate sector for well trained and skilled human personnel. The University of Delhi has always harnessed and developed the intrinsic talent and potential of all its students. Beside our commitment to academic excellence, the University of Delhi provides ample opportunities to students to excel in field of sports and extra-curricular activities. Students from the University of Delhi are academically competent with a wide vision of life and an inquisitive mind which helps them explore new frontiers of knowledge.

The University of Delhi lays great emphasis on constant updating of courses of study, taking our students ever closer to the frontiers of knowledge. With the inception of the Central Placement Cell, we hope to provide a platform for our young aspirants and the corporate seeking to recruit the best talent available. The placement cell is committed to provide successful and better placement opportunities to its students. The placement cell acts as an interface between the students and the corporate. It has seen exceptional success in last seven years and in 2013-14 nearly 50 companies visited Delhi University for their placement drives. The percentage of students getting employment through placement cell has risen over the years making Delhi University a preferred destination for recruiters. The placement Cell has also been assisting companies for their requirement of interns and also organizing capacity building programs for students. I wish Central Placement Cell more success in coming years.

Professor. J. M. Khurana

Dean Students' Welfare

Nurturing the Talent

Invitation

It is indeed a matter of great pride to invite you to participate in our campus recruitment process. Since its inception, the University of Delhi has always been conscious of its responsibility to the nation. With its stringent selection procedures, it selects the best students from all over India. Three to five years of rigorous course curriculum and numerous extra-curricular activities shape the personality of our students and what we get after this span of time at the University are intelligent, sensitive human beings aware of both their responsibilities and rights.

The Central Placement Cell (CPC) is a new initiative undertaken by the University of Delhi in keeping with the changing socio-economic scenario of the country in which new areas of specialization and job opportunities are rapidly emerging. The aim of the CPC is to provide a single platform for our students whose number exceeds 3 lacs enrolled in 78 colleges and 84 postgraduate departments, to interact with industry, media houses, NGO's and any organization in need of skilled human personnel.

The quality and caliber of our students can be evaluated from the distinguished jobs that our alumni are holding in both the public and private sector and in the sphere of academics and research. Recruitment of students of the University of Delhi for jobs enable them to reach the top echelons of society. Companies that have recruited students from the individual colleges in the last few years are from Finance, Information Technology, Media, Marketing, Hospitality, Tourism, Pharmaceutical and other sectors. Companies will now have chance to recruit the best and the most talented students from all the colleges and departments of the University in placement sessions held under the aegis of the CPC of the University. Companies will have a wider choice in terms of quality and number of students from difference disciplines and varied backgrounds.

Unquestionably, the University of Delhi takes the best, trains the best, and produces the best in the country. It gives me great pleasure to present before you our outstanding undergraduate and postgraduate students for final placements. We are looking forward to your active participation in a mutually rewarding placement exercise which will be an annual event and will thrive and prosper in years to come.

About Central Placement Cell

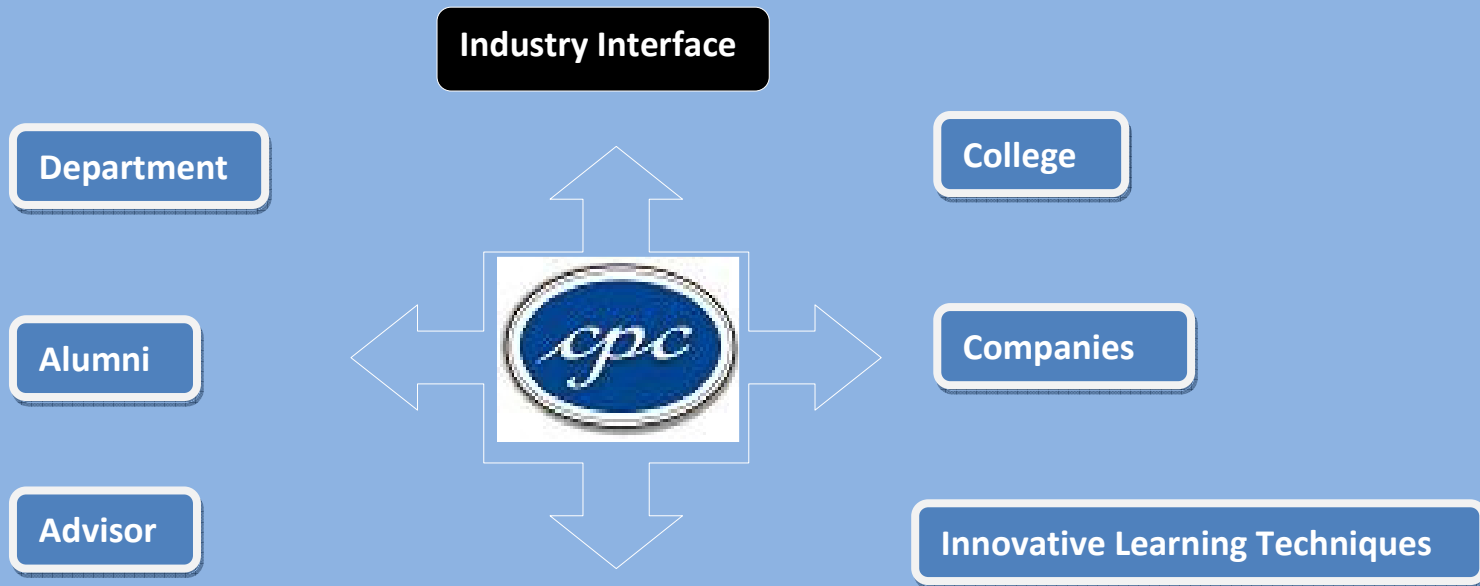

The main endeavor of CPC, University of Delhi will be to get students placed in reputed multinationals, government jobs, NGO's and the private sector, all registered students with CPC will be entitled to placement assistance, counseling for employment and even self-employment. The CPC assures support to the visiting companies at every stage of the placement process by making university infrastructure available to them.

The CPC will act as an interface between the industry and the students and will primarily enable the students to select from their career options. We shall facilitate the selection process of all the companies as per their requirement. The CPC will liaison with corporate/organizations to provide suitable jobs for the candidates completing their graduation from the University of Delhi. The CPC also proposes to conduct seminars and workshops to enable the students of University of Delhi to become successful professionals.

Our Objectives:

- Identification of students' potential and mapping their competencies;
- Cataloguing the data base of students (their specialization, interest and academic performance) and faculty members;
- Providing interlink for the enthusiastic talent ready to explore the new horizons with the growing requirement of the corporate world;
- Working as a platform for molding the students according to the requirement of the corporate world and R&D Departments;
- Designing a web-based job- search portal for the University of Delhi; and
- Enabling career counseling for students.

Our Pillars of Strength

Nurturing the Talent

Structure of the Central Placement Cell

Central Placement Cell

Core Competence Unit

In order to foster our quest for the best and brightest college mind and reach out to the vast pool of talent that DU has to offer the unit aims at enhancing the competencies of the registered students.

Corporate Interaction Unit

The unit acts as link where requirements of the corporate world and dexterity of the students can be matched. It arranges campus and non-campus recruitment drives for students from sciences, commerce, humanities and languages.

Campus Recruitment

The organizations participating in the campus recruitment process are requested to finalize a mutually convenient date for their visit to the campus during November & December. The organizations make a brief presentation about themselves and the opportunities and prospects for the aspirants. The CPC will then ensure invitation and organization of the recruitment drives during each academic year. Selection of students may be based on written test, group discussions and /or personal interviews as desired by the organization.

Off-Campus Recruitment

Organizations, which are unable to visit the campus, are provided with the detailed CVs of the aspiring students. The organizations are requested to finalize the list of short listed/ selected students and intimate the Placement Cell of the same.

Other Courses

BBS, BBE, B.El.ED, BFIA, BSW, Journalism, Mass Media & Communication, Hindi Patrakarita and others.

To cater the growing needs of the high growth segments of Industry, Delhi University in collaboration with Confederation of Indian Industries (CII) has launched a Certificate Programme for the students so that they acquire job oriented skills.

Some of the job oriented programmes being organized by the Campus of Open Learning (COL) are Software Application Development, Soft skills, Automobile Service and Management, Retail Management, Web Designing, Photography, Travel and Tourism and others.

Ad-on courses

In addition to the curricula taught in various colleges, each college also runs some add on courses in order to further enrich the learning process of the students. These range from Art appreciation to hard core commercial skills. All foreign language courses of the University have proved to be very popular with the students.

University Infrastructure

There are several interdisciplinary and applied research, training and extension activities in the university, and some of them are being pursued through specialized centres set up for this purpose.

University of Delhi developed its ICT network across. A gigabit fiber backbone was laid covering the two campuses of the University. Initially the coverage included 80 buildings covering all departments, centers and administrative units of the university, 13 campus colleges and 16 on-campus hostels. At present the reach of the network has been extended to the north and south campuses by dedicated wireless link. Sixty four off-campus colleges have been brought on the university network through wireless. At present there are more than 6000 network access points. Services available to the users include access to the internet through 30 Mbps bandwidth in the two campuses.

An Academic Research Centre complex has been set-up to house these activities. The complex has several Centres and Institutes involved in quality research.

- An air-conditioned auditorium with the seating capacity of 250 persons
- Training Laboratories
- Cafeteria
- Women Development Centre
- Center for Science Education and Communication
- Intellectual Property Rights Center
- Institute of Humanity
- Developing Country Research Center
- Center for Psychoanalytic studies
- Prof. DS Kothari Center for Science Ethics and Education
- Center for Interdisciplinary studies of Mountain and Hill Development

- Central Institute of Education
- Web Sites of all the colleges are linked with our university website.

Institute of Life Long Learning (ILLL)

ILLL has a major responsibility in teacher training, developing E-Learning materials and delivery system, developing courses, curricula and content. This institute builds up the resource base through updated information through many training courses. It also conducts need based orientation and refresher courses on a much larger scale by creating some sub-centres in some colleges.

Conference Center

A state of the art conference center has a sitting capacity of more than 200 people. The complex has nine large and medium size committee rooms, board rooms, a computer room and space which can be used for video conferencing and as a media center. The University can now organize academic conferences, national and international, on campus without having to rent space in hotels or other institutions in the city.

Guest Houses

There are two guest houses in the University of Delhi with one of International stature. The rooms are well equipped to suit all academic and corporate guests. The guest house has a fully equipped modern kitchen, spacious dining room, fully equipped conference room and a large lounge.

Office of the Dean Students' Welfare

DSW is mandated to supervise and coordinate all activities related to admissions, culture, sports, counseling, hostel accommodation and other welfare activities for students of our University. One of the Deputy Deans of the students'

welfare looks after the admissions and related matter of over 1500 foreign students seeking admission to different courses of University of Delhi. The Central Placement Cell (CPC) is one of the several initiatives undertaken by this office.

Shanker Lal Concert Hall

Shanker Lal concert hall is a state of art auditorium with a seating capacity of 520. It has back stage facility and excellent acoustics. A large and beautiful lounge is attached to the hall surrounded by green space around it.

Library

We have 25 world class libraries which cater to all academic disciplines and subscribe to hundreds of electronic journals in sciences, social sciences and humanities. Electronic networking has also been introduced and on our website www.du.ac.in "J Store" facilitates easy access to academic journals in all disciplines.

Equal Opportunity Cell

We are sensitive to the academic requirements of the physically challenged members of the society. Equal Opportunity Cell makes their stay in the campus comfortable and helps in their academic growth.

International Relation

The offices of the Dean International Relations for Science and Social Sciences have signed international protocols with about 15 universities which include University of California and the University of Heidelberg. About 1500 foreign students from 60 different countries are enrolled in the University of Delhi. We also have spacious and well equipped International hostels for both men and women. Recently an agreement was signed with Unweistas 21 for exchange of knowledge, research facilities, journals and expanding academic horizons.

Distinguished Alumni

Through the passing years alumni of the University of Delhi have excelled in different walks of life like public service, judiciary, films, dance, music, painting, creative writing, sports and others.

Cultural Council and distinguished Cultural Personalities

The cultural council of University of Delhi hosts festivals, theater workshops, music concerts, debates and other such activities which harness the latent talent among our students. Cultural council hosts different cultural exchange programmes in which students from different colleges & department participate.

The University of Delhi is proud of its vibrant extra-curricular activities ranging from drama, debates, music, dance, painting, photography and other such activities, which has provided a platform to our students to excel in these fields.

The two big stars of Indian Cinema Amitabh Bacchan and Shahrukh Khan are Alumni of this university. Other distinguish alumni who has great contribution to Indian Cinema included Manoj Bajapi, Kabir Bedi, Om Puri, Konkana Sen Sharma, Sushmita Sen, Malika Sherawat, Sidharth Surya Narayan, Nandita Das, Sh. Imtiaz Ali, Ms. Tisca Chopra and other. Internationally acclaimed film directors Shekhar Kapur and Mira Nair have studied in Delhi University. In the field of classical music our alumni include Debu Chaudhary, Amjad Ali Khan and Sharan Rani. Shovana Narayan and Gita Chandran have excelled in Classical Dance. Significant Indian writers in English literature include novelist like Late Khushwant Singh, Amitav Ghosh, Upamanyu Chaterjee, Alan Sealy, Anurag Mathur, Manju Kapoor and others. Writers in Hindi include Nirmal Verma and Manoj Vajpai.

Sports Council and distinguished Sport Personalities

The sports council organizes inter-college competitions in many sports for both boys and girls. Teams of Delhi University also participate in All India Inter-University Competitions. We have won the Maulana Abul Kalam Azad

Trophy, symbol of supremacy in University sports, awarded by the president of India for a record 15 times since its inception in 1957.

In view of its importance, the University of Delhi was selected as a venue for some sports events in the 1982 Asian games and had been selected to host several events in the 2010 Commonwealth Games.

Our University has produced Olympians of repute like Dr. Karni Singh, Randhir Singh, Jaspal Rana and Manavjit Sandhu (shooting), Sudesh Kumar and Premnath (wrestling), M.N. Masud, M.K. Kaushik and Ashok Dewan (Hockey), ShyamLal (gymnastics) and Harban Lal Suri (Athletics). Eminent cricketers from the University include Mohinder Amarnath, Maninder Singh, Gautam Gambhir, Ajay Jadeja, Arun Lal, Manoj Prabhakar, Kirti Azad, Raman Lamba, amongst others. Our alumni have won over 40 Arjuna Awards.

Other Distinguished Personalities

It is a matter of pride that the University of Delhi has produced five heads of State. They are President of India Fakhruddin Ali Ahmed and President of Pakistan Zia Ul Haque, Prime Minister of India Manmohan Singh, Prime Minister of Tanzania Salem and Prime Minister of Uganda, Kintu Musoke.

Union Ministers or Members of the Cabinet of the Government of India Mani Shanker Aiyar, Arun Jaitely, Vijay Goel, Kapil Sibal, Arun Shourie, K. Natwar Singh, Sahib Singh Verma and others. Besides there have been many Members of Parliament, Chief Ministers and Governors of various states, Auditor General of India, Chief Election Commissioners and Supreme Court judges.

Eminent names from Industries include K.K.Birla, Rahul Bajaj, Lalit Nirula, Bharat Ram and Sidharth Sriram, all are from University of Delhi. Our alumni over the years held the senior most position in the civil services like cabinet secretary, foreign Secretary, India's Ambassadors, Chief secretaries of state government and Director General of Police. Nobel Laureate Amartya Sen and Prime Minister Manmohan Singh taught at Delhi School of Economics.

Visit the CPC website- <http://placement.du.ac.in> and University of Delhi website: www.du.ac.in for Online Registration.

Guidelines

1. The Central Placement Cell (CPC) will act as an interface between the industry and Students. The mere registration of students in CPC does not guarantee placement/Internship for the registered students.
2. The students are expected to be in formals and present themselves in a decent manner.
3. A candidate is allowed to appear in placement drives till he/she receives three appointment letters from different companies.
4. The students of SOL and NCWEB can also register however in their case only database will be transferred to the companies as per companies' requirement. They can't participate in placement/ Capacity enhancement drives.
5. The candidates must bring the Identity Card of CPC (Printed Copy of Completed Form) duly attested by the College Principal/ Head of the Department during all placement drives.
6. The candidates appearing for CPC drive must carry at least two copies of resume and two photographs on the day of placement.
7. No attendance certificate will be issued to any candidate for attending the placement/internship drive.
